

# FA7-14

Case Fan

## Features:

- Support aRGB Sync
- Brilliant aRGB glow flowing smoothly over every blade
- 140mm fans deliver ~20% higher airflow than 120mm equivalents
- Nine blades, aerodynamic-orientated fan design
- Durable hydraulic bearing for long-lasting, quiet operation
- Standard 4-pin PWM and 3-pin ARGB connectivity for broad compatibility with popular motherboards and controllers

CASE FAN  
FA7-14

# SPECIFICATIONS

|                              |                            |
|------------------------------|----------------------------|
| <b>PART NUMBER</b>           | FA7-14-BK / FA7-14-WH      |
| <b>MODEL</b>                 | FA7-14                     |
| <b>AIRFLOW DIRECTION</b>     | Standard                   |
| <b>CONNECTOR</b>             | 4-pin (PWM) + 3-pin (ARGB) |
| <b>DIMENSION (L x W x H)</b> | 140 x 140 x 25 mm          |
| <b>FAN RATED VOLTAGE</b>     | DC 12 V                    |
| <b>FAN RATED CURRENT</b>     | 0.28 A                     |
| <b>FAN RATED POWER</b>       | 3.36 W                     |
| <b>FAN LEAVES</b>            | 9                          |
| <b>CABLE LENGTH</b>          | 500 mm ± 10%               |
| <b>BEARING</b>               | Hydraulic bearing          |
| <b>MAX AIRFLOW</b>           | 58 CFM                     |
| <b>STATIC PRESSURE</b>       | 1.43 mm-H <sub>2</sub> O   |
| <b>SPEED</b>                 | 600 - 1200 RPM ± 10 %      |
| <b>NOISE LEVEL</b>           | ≤ 29.2 dB(A)               |
| <b>LED TYPE</b>              | aRGB                       |
| <b>LED VOLTAGE</b>           | 5 V                        |
| <b>LED CURRENT</b>           | 0.22 A                     |
| <b>LED MAX. POWER</b>        | 1.1 W                      |
